

AVCF1000 - AVFF2000

Food Merchandisers

Perfect for locations
serving 50 - 150 customers!

The AVCF1000 and AVFF2000 food merchandisers satisfies customer demand for variety.

Our **AVCF1000** cold food merchandiser lets you vend sandwiches, dairy products, chilled candies, desserts and other items best served cold. Engineered to work with a host vendor, this machine has all the sales capabilities of a glass-front merchandiser. Its fresh, inviting appearance, extra-large merchandising space and vertical lighting provide maximum product appeal and keep products moving fast.

Our **AVFF2000** frozen food merchandiser takes your vending beyond the normal. This frozen food vendor can offer up to 30 different choices of dairy products, candies, desserts and sandwiches with a maximum capacity of 230 items. The AVFF2000's multi-temperature capabilities provide the flexibility to vend a wide range of products including frozen food and premium ice cream (-12°F), slackened or pre-cooked microwavable items (15°F), and cold food and perishables (41°F).
